PALM BEACH – My Second Home

There are places that don't just inspire – they become a part of you. Palm Beach is exactly that for me. It's not just a destination; it's my second home since more than 15 years. That's why I'm especially proud to showcase my second shoot for SEDUCTIVE in this deeply personal setting.

For this new collection, I wanted to continue capturing SEDUCTIVE „through the lens of the designer“ – a perspective that blends elegance with intimacy. Palm Beach, with its golden light, timeless charm, elegance, and serene strength, was the perfect canvas for this vision. Here, everything slows down just enough to see more clearly, feel more deeply, and create more freely.

Where my first shoot in New York gave me the stage, Palm Beach gave me the soul.

Creating in a place that feels like home makes all the difference. It's more than just a shoot – it's a celebration of a place that has shaped me, grounded me, and keeps on inspiring me every day I am here.
